Dams in the Mekong River Basin
Commissioned, Under Construction and Planned Dams
in September 2017

Map Legend:
The high resolution layer, commissioned under construction and planned to be commissioned, only highlights dams with completed training capacity and above on wastewater, and the generation of electricity and water supply.

Map Sources:
The location and elevation of the map are derived from the WLE Greater Mekong Dam database, and the number of commissioning dates from the MOA/CLF, or any other partner associated with the WLE Greater Mekong Program.

Map Acknowledgements:

Map Data Sources:
The locations for the dams displayed on this map are derived from the WLE Greater Mekong Dam database, and the number of commissioning dates from the MOA/CLF, or any other partner associated with the WLE Greater Mekong Program.

Map Correct Citation:

This map shows the location and elevation of the dams in the Mekong River Basin. The map includes commissioned, under construction, and planned dams. The map is derived from the WLE Greater Mekong Dam database and the MOA/CLF. The map was created by Geosystems Design in 2017.
